

# ISEMATHOLENI **COMPANY PROFILE**

Isematholeni is a dynamic organization focused on youth development. With a passion for empowering young individuals, we strive to provide innovative programs and resources that foster personal growth and success.

# WHO ARE WE?

Isematholeni is a newly established structure with a defined aim and purpose of caring for the youth and the people of the Republic of South Africa at large with the issues of drugs, alcohol abuse, substance abuse, HIV & AIDS & Teenage pregnancy & also helping our youth to discover & develop their talents & skills for the future

## OUR CORE VALUES

### **INTERGRITY**

- is the foundation of our structure and we will do things the right way.

### **COMMITMENT**

- we are responsible, respect each other, dedicate to our people, care for our environment and manage our structure ethically.

### **TEAMWORK**

- we are always a team, no matter who we work with.

### **EXCELLENCE**

- we are passionate about our people, our well-being and our service quality excellence.

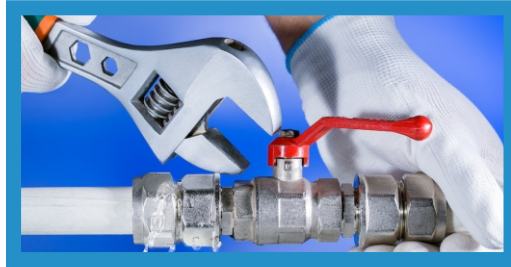

## OUR CULTURE

- is caring, helping and encouraging people to play an active role contributing to their lives enabling them to build a better future.

# ***OUR CHALLENGES***

Our Challenges is to get assistance/funding so we can be able run this structure with success we need the following

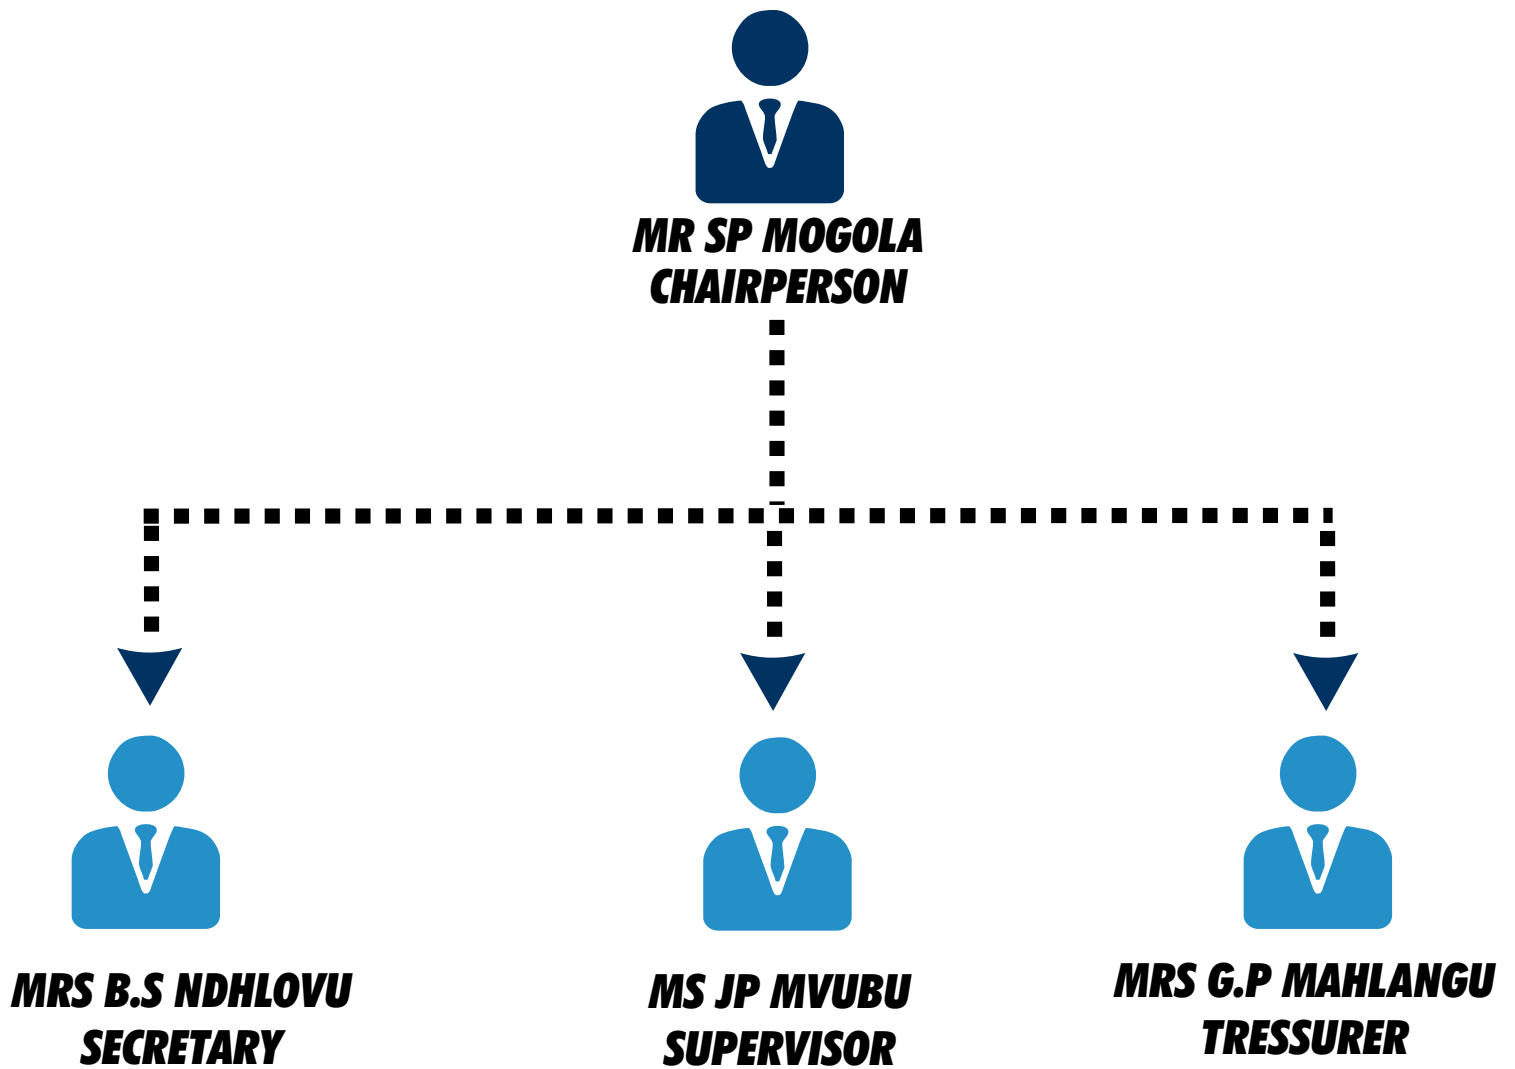

- a card where we can build one structure building
- build different workshops e.g boilermaking workshop, plumbing workshop, electrical/electronics workshops etc
